Mission: “To provide all students with the values, skills and knowledge needed to embark on a life-long journey to success.” This is what The Journey School will do every day for all the children. In the long-term we want to be known as a school where: “**All students love to learn, have access to a high-quality, individualized, technology embedded, standards-based curriculum with clearly defined and measurable expectations; presented by highly effective teachers and leaders in a safe, structured, creative, and nurturing learning environment that includes parent and community engagement. Students are empowered to be productive and contributing individuals in their school, local community, and the global society.**”

Meeting Norms: Turn off devices. Start promptly. Full involvement and attention from all. Mute themselves, when not speaking.

Community/Public Comments: (5-10minutes)

Comment is the only open forum of tonight’s meeting. It is an opportunity to present an issue or concern to the Board of Directors. There is a maximum of ten minutes set aside for Community Comment. Each presentation should be limited to no more than two minutes. If your item needs follow-up from the board and/or staff, or will require research etc., a decision may not be made during tonight’s meeting. Thank you for coming
