In the long-term we want to be known as a school where: “All students love to learn, have access to a high-quality, individualized, technology embedded, standards-based curriculum with clearly defined and measurable expectations; presented by highly effective teachers and leaders in a safe, structured, creative, and nurturing learning environment that includes parent and community engagement. Students are empowered to be productive and contributing individuals in their school, local community, and the global society.”

Meeting Norms: Turn off devices. Start promptly. Full involvement and attention from all. Mute themselves, when not speaking.

Comment is the only open forum of tonight’s meeting. It is an opportunity to present an issue or concern to the Board of Directors. There is a maximum of ten minutes set aside for Community Comment. Each presentation should be limited to no more than two minutes.
