

## **The Journey School Total Special Education System (TSES)**

This document serves as the Total Special Education System Plan for The Journey School in accordance with Minnesota Rule 3525.1100. This plan also includes an assurance for compliance with the federal requirements pertaining to districts' special education responsibilities found in United States Code, title 20, chapter 33, and Code of Federal Regulations, title 34, part 300. This document is a companion to the Application for Special Education Funds – Statement of Assurances (ED-01350-29).

The Journey School's Director of Special Education, is responsible for program development, coordination, and evaluation; in-service training; and general special education supervision and administration. The current Director of Special Education, Chloe Smith may be reached at [chloe.smith@nova-education.org](mailto:chloe.smith@nova-education.org) or 763-843-6851.

### **I. Child Study Procedures**

The District's identification system is developed according to the requirement of non-discrimination as The Journey School does not discriminate in education on the basis of race, color, creed, religion, national origin, sex, age, marital status, status with regard to public assistance, sexual orientation, or disability.

#### **A. Identification**

The Journey School has developed systems designed to identify pupils with disabilities in kindergarten through eighth grade and are currently enrolled as students.

Infant and toddler intervention services under United States Code, title 20, chapter 33, section 1431 et seq., and Code of Federal Regulations, title 34, part 303, are not applicable at The Journey School nor are services to children from birth through 2 years of age who meet the outlined criteria.

The Journey School's plan for identifying a child with a specific learning disability is consistent with Minnesota Rule 3525.1341. The Journey School's plan for identifying a child with a specific learning disability is attached as Appendix A.

#### **B. Evaluation**

Evaluation of the child and assessment of the child and family will be conducted in a manner consistent with Code of Federal Regulations, title 34, section 303.321. The Journey School conducts full and individual initial evaluations before the initial provision of special education and related services to a pupil. The initial evaluation consists of procedures to determine whether a child is a pupil with a disability that adversely affects the child's educational performance as

defined in Minnesota Statutes, section 125A.02, who by reason thereof needs special education and related services, and to determine the educational needs of the pupil. The district proposing to conduct an initial evaluation to determine if the child qualifies as a pupil with a disability obtains informed consent from the parent of the child before the evaluation is conducted. Parental consent for evaluation is not construed as consent for placement for receipt of special education and related services. The District will not override the written refusal of a parent to consent to an initial evaluation or re-evaluation.

## **Evaluation Procedures**

Evaluations and reevaluations are conducted according to the following procedures:

A. The Journey School shall provide notice to the parents of the pupil, according to Code of Federal Regulations, title 34, sections 300.500 to 300.505, that describes any evaluation procedures the district proposes to conduct.

B. In conducting the evaluation, The Journey School:

1. Uses a variety of evaluation tools and strategies to gather relevant functional and developmental information, including information provided by the parent (or student when appropriate), teachers, and staff members that are designed to assist in determining whether the child is a pupil with a disability and the content of the pupil's individualized education program, if applicable, including information related to enabling the pupil to be involved in and progress in the general curriculum, or for preschool pupils, to participate in appropriate activities;
2. Does not use any single procedure as the sole criterion for determining whether a child is a pupil with a disability or determining an appropriate education program for the pupil; and
3. Uses technically sound instruments that are designed to assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors.

C. The Journey School ensures that:

1. Tests and other evaluation materials used to evaluate a child under this part are selected and administered so as not be discriminatory on a racial or cultural basis, and are provided and administered in the pupil's native language or other mode of communication, unless it is clearly not feasible to do so;
2. Materials and procedures used to evaluate a child with limited English proficiency are selected and administered to ensure that they measure the extent to which the child has a disability and needs special education and related services, rather than measure the child's English language skills;
3. Any standardized tests that are given to the child have been validated for the specific purpose for which they are used, are administered by trained and knowledgeable personnel, and are administered in accordance with any instructions provided by the producer of such tests;
4. The child is evaluated in all areas of suspected disability, including, if appropriate, health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status, and motor abilities;
5. Evaluation tools and strategies that provide relevant information that directly assists persons in determining the educational needs of the pupil are provided;
6. If an evaluation is not conducted under standard conditions, a description of the extent to which it varied from standard conditions must be included in the evaluation report;

7. Tests and other evaluation materials include those tailored to evaluate specific areas of educational need and not merely those that are designed to provide a single general intelligence quotient;
8. Tests are selected and administered so as best to ensure that if a test is administered to a child with impaired sensory, manual, or speaking skills, the test results accurately reflect the child's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflecting the child's impaired sensory, manual, or speaking skills, unless those skills are the factors that the test purports to measure; and
9. In evaluating each pupil with a disability, the evaluation is sufficiently comprehensive to identify all of the pupil's special education and related service needs, whether or not commonly linked to the disability category in which the pupil has been classified.

D. Upon completion of administration of tests and other evaluation materials, the determination of whether the child is a pupil with a disability as defined in Minnesota Statutes, section 125A.02, shall be made by a team of qualified professionals and the parent of the pupil in accordance with item E. A copy of the evaluation report and the documentation of determination of eligibility will be given to the parent.

E. In making a determination of eligibility under item D, a child shall not be determined to be a pupil with a disability if the determinant factor for such determination is lack of instruction in reading or math or limited English proficiency, and the child does not otherwise meet eligibility criteria under parts 3525.1325 to 3525.1351.

### **Additional Requirements for Evaluations and Reevaluations**

A. As part of an initial evaluation, if appropriate, and as part of any reevaluation under this part, or a reinstatement under part 3525.3100, the IEP team and other qualified professionals, as appropriate, shall:

1. Review existing evaluation data on the pupil, including evaluations and information provided by the parents of the pupil, current classroom-based assessments and observations, and teacher and related services providers observation; and
2. On the basis of the review, and input from the pupil's parents, identify what additional data, if any, are needed to determine whether the pupil has a particular category of disability, as described in Minnesota Statutes, section 125A.02, or, in case of a reevaluation of a pupil, whether the pupil continues to have such a disability, the present levels of performance and educational needs of the pupil, whether the pupil needs special education and related services, or in the case of a reevaluation of a pupil, whether the pupil continues to need special education and related services, and whether any additions or modifications to the special education and related services are needed to enable the pupil to meet the measurable annual goals set out in the individualized education program of the pupil and to participate, as appropriate, in the general curriculum.

B. The district administers such tests and other evaluation materials as may be needed to produce the data identified by the IEP team under item A, subitem (2).

C. The district obtains informed parental consent, in accordance with subpart 1, prior to conducting any reevaluation of a pupil, except that such informed parental consent need not be obtained if the district can demonstrate that it had taken reasonable measures to obtain such consent and the pupil's parent has failed to respond.

D. If the IEP team and other qualified professionals, as appropriate, determine that no additional data are needed to determine whether the pupil continues to be a pupil with a disability, the district shall notify the pupil's parents of that determination and the reasons for it, and the right of such parents to request an evaluation to determine whether the pupil continues to be a pupil

with a disability, and shall not be required to conduct such an evaluation unless requested to by the pupil's parents.

E. A district evaluates a pupil in accordance with federal regulation before determining that the pupil is no longer a pupil with a disability.

### **Procedures for Determining Eligibility and Placement**

A. In interpreting the evaluation data for the purpose of determining if a child is a pupil with a disability under parts 3525.1325 to 3525.1351 and the educational needs of the child, the school district:

1. Draws upon information from a variety of sources, including aptitude and achievement tests, parent input, teacher recommendations, physical condition, social or cultural background, and adaptive behavior; and
2. Ensures that the information obtained from all of the sources is documented and carefully considered.

B. If a determination is made that a child is a pupil with a disability who needs special education and related services, an IEP is developed for the pupil according to Minnesota Rule 3525.2810.

### **Evaluation Report**

An evaluation report is completed and delivered to the pupil's parents within the specified evaluation timeline. At a minimum, the evaluation report includes:

A. A summary of all evaluation results;

B. Documentation of whether the pupil has a particular category of disability or, in the case of a reevaluation, whether the pupil continues to have such a disability;

C. The pupil's present levels of performance and educational needs that derive from the disability

D. Whether the child needs special education and related services or, in the case of a reevaluation, whether the pupil continues to need special education and related services; and

E. Whether any additions or modifications to the special education and related services are needed to enable the pupil to meet the measurable annual goals set out in the pupil's IEP and to participate, as appropriate, in the general curriculum.

### **Plan for Receiving Referrals**

The Journey School's plan for receiving referrals from parents, physicians, private and public programs, and health and human services agencies is attached as Appendix B.

## **II. Method of Providing the Special Education Services for the Identified Pupils**

The Journey School provides a full range of educational service alternatives. All students with disabilities are provided special instruction and services which are appropriate to their needs. The following is representative of The Journey School's method of providing the special education services for the identified pupils, sites available at which service may occur, and instruction and related services are available.

Appropriate program alternatives to meet the special education needs, goals, and objectives of a pupil are determined on an individual basis. Choice of specific program alternatives are based on the pupil's current levels of performance, special education needs, goals, and objectives, and must be written in the IEP. Program alternatives are the type of services provided, the setting in which services occur, and the amount of time and frequency in which special education services occur. A pupil may receive special education services in more than one alternative based on the IEP.

A. Method of providing the special education services for the identified pupils:

1. One on One Services
2. Small Group
3. Direct
4. In-Direct

B. Alternative sites available at which services may occur:

1. Homebound or Home-Based Services (location of services TBD by school or IEP team)
2. St. Paul Public Schools (location of services determined by St. Paul Rep)
3. Other Resident Districts (location of services determined by District Rep)

C. Available instruction and related services:

1. Organizational Support Services
2. Reading/Written Language Support Services
3. Math Support Services
4. Emotional Regulation Support
5. Occupational Therapy
6. Speech Language Therapy
7. Social Work/Mental Health Support
8. Psychological Services
9. Nursing Services (Consult)
10. Deaf/Hard of Hearing Services
11. Audiology Services
12. Physical Impairment Services
13. Other Contracted Services/Support Outlined in IEPs and Evaluation Reports

### III. Administration and Management Plan

The Journey School utilizes the following administration and management plan to assure effective and efficient results of child study procedures and method of providing special education services for the identified pupils:

A. The following table illustrates the organization of administration and management to assure effective and efficient results of child study procedures and method of providing special education services for the identified pupils:

Name/Title Contact Information	Responsibilities Relating to Child Study Procedures and Method of Providing Special Education Services
Michelle Cambrice, School Director <a href="mailto:mcambrice@thejourneyschool.org">mcambrice@thejourneyschool.org</a> / 612-389-1579	As the Executive Director, Elizabeth provides oversight of all school processes.
Chloe Smith, Director of Special Education <a href="mailto:chloe.smith@nova-education.org">chloe.smith@nova-education.org</a> / 763-843-6851	As the Director of Special Education, Chloe provides oversight of all aspects of the Special Education Program.

## B. Due Process Assurances available to parents:

The Journey School has appropriate and proper due process procedures in place to assure effective and efficient results of child study procedures and methods of providing special education services for the identified pupils, including alternative dispute resolution and due process hearings. A description of these processes are as follows:

1. Prior written notice to (a) inform the parent that except for the initial placement of a child in special education, the school district will proceed with its proposal for the child's placement or for providing special education services unless the child's parent notifies the district of an objection within 14 days of when the district sends the prior written notice to the parent; and (b) state that a parent who objects to a proposal or refusal in the prior written notice may request a conciliation conference or another alternative dispute resolution procedure.
2. The Journey School will not proceed with the initial evaluation of a child, the initial placement of a child in a special education program, or the initial provision of special education services for a child without the prior written consent of the child's parent. The Journey School may not override the written refusal of a parent to consent to an initial evaluation or reevaluation.
3. A parent, after consulting with health care, education, or other professional providers, may agree or disagree to provide the student with sympathomimetic medications unless medical, dental, mental and other health services are necessary, in the professional's judgment, that the risk to the minor's life or health is of such a nature that treatment should be given without delay and the requirement of consent would result in delay or denial of treatment.
4. Parties are encouraged to resolve disputes over the identification, evaluation, educational placement, manifestation determination, interim alternative educational placement, or the provision of a free appropriate public education (FAPE) to a child with a disability through conciliation, mediation, facilitated team meetings, or other alternative process. All dispute resolution options are voluntary on the part of the parent and must not be used to deny or delay the right to a due process hearing. All dispute resolution processes are provided at no cost to the parent.
5. Conciliation Conference: a parent has the opportunity to meet with appropriate district staff in at least one conciliation conference if the parent objects to any proposal of which the parent receives prior written notice. The Journey School holds a conciliation conference within ten calendar days from the date the district receives a parent's objection to a proposal or refusal in the prior written notice. All discussions held during a conciliation conference are confidential and are not admissible in a due process hearing. Within five school days after the final conciliation conference, the district must prepare and provide to the parent a conciliation conference memorandum that describes the District's final proposed offer of service. This memorandum is admissible in evidence in any subsequent proceeding.
6. In addition to offering at least one conciliation conference, The Journey School informs parents of other dispute resolution processes, including at least mediation and facilitated team meetings. The fact that an alternative dispute resolution process was used is admissible in evidence at any subsequent proceeding. State-provided mediators and team meeting facilitators shall not be subpoenaed to testify at a due process hearing or civil action under special education law nor are any records of mediators or state-provided team meeting facilitators accessible to the parties.
7. Descriptions of the mediation process, facilitated team meetings, state complaint, and impartial due process hearings may be found in Minnesota Department of Education's Procedural Safeguard Notice, attached as Appendix [C]. This notice is given annually to all families with students with a disability.

## IV. Interagency Agreements the District has Entered

The Journey School is a charter school district serving grades K-8. As such, the following italicized section does not apply to the district, but must remain in this TSES according to the Minnesota Department of Education.

*District has entered in the following interagency agreements or joint powers board agreements for eligible children, ages 3 to 21, to establish agency responsibility that assures that coordinated interagency services are coordinated, provided, and paid for, and that payment is facilitated from public and private sources:*

## V. Special Education Advisory Council (SEAC)

In order to increase the involvement of parents of children with disabilities in district policy making and decision making, The Journey School has a special education advisory council.

A. The Journey School Special Education Advisory Council is individually established and is not a subgroup of the existing board/council/committee.

B. At least half of The Journey School parent advisory councils' members are parents of students with a disability.

C. The Journey School Special Education Advisory Council meets no less than annually each Spring at a date established by interested parents.

D. The operational procedures of The Journey High School Special Education Advisory Council are attached as Appendix [D].

## Specific Learning Disabilities Criteria

In accordance with Minnesota Rule 3525.1341 The Journey School has elected to use Criteria A, B, and C of the Specific Learning Disabilities criteria and at this time has elected not to use Criteria D.

### Specific Learning Disability Criteria for Special Education

Student Name	DOB	Building	Reviewer Name	Date of Report	Eligible Y/N

\_\_\_\_ Initial Evaluation ⇨ (must meet initial criteria) \_\_\_\_ Reevaluation ⇨ (must address criteria components)

Information about each item must be sought from the parent and included as part of the evaluation data. The evaluation data must confirm that the disabling effects of the child's disability occur in a variety of settings. The child must receive two interventions prior to evaluation unless the parent requests an evaluation or the team waives the requirement due to urgency. Based on information in the Evaluation Report and the student file, a pupil has a specific learning disability and is in need of special education and related services when the pupil meets the criteria in A, B, and C OR A, B, and D below.

#### A. Documentation of Inadequate Achievement

The child does not achieve adequately in one or more of the following areas in response to appropriate classroom instruction:

- \_\_\_\_ Oral Expression
- \_\_\_\_ Listening Comprehension
- \_\_\_\_ Written Expression
- \_\_\_\_ Basic Reading Skills
- \_\_\_\_ Reading Comprehension
- \_\_\_\_ Reading Fluency
- \_\_\_\_ Mathematics Calculation
- \_\_\_\_ Mathematical Problem Solving

AND \_\_\_\_ The child does not make adequate progress to meet age or state-approved grade-level standards in one or more of the areas listed above when using a process based on the child's response to scientific, research-based intervention;

OR \_\_\_\_ The child exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to age, state-approved grade-level standards, or intellectual development, that is determined by the group to be relevant to the identification of a specific learning disability (SLD). Specific Learning Disability

AND \_\_\_\_ Documentation to support this finding must be both representative of the pupil's curriculum and useful for developing instructional goals and objectives. Documentation includes evidence of low achievement from the following sources, when available:

- \_\_\_\_ Cumulative record reviews
- \_\_\_\_ Class work samples
- \_\_\_\_ Anecdotal teacher records
- \_\_\_\_ Statewide and district-wide assessments
- \_\_\_\_ Formal, diagnostic, and informal tests
- \_\_\_\_ Results from targeted support programs in general education
- \_\_\_\_ Curriculum based evaluation results

## B. Information Processing

The child has a disorder in one or more of the basic psychological processes, which includes an information processing condition that is manifested in a variety of setting by behaviors such as inadequate:

- \_\_\_\_\_ Acquisition of information
- \_\_\_\_\_ Organization
- \_\_\_\_\_ Planning and sequencing
- \_\_\_\_\_ Working memory, including verbal, visual, or spatial
- \_\_\_\_\_ Visual and auditory processing
- \_\_\_\_\_ Speed of processing
- \_\_\_\_\_ Verbal and nonverbal expression
- \_\_\_\_\_ Transfer of information
- \_\_\_\_\_ Motor control for written tasks (pencil and paper assignments, drawing, and copying)
- \_\_\_\_\_ Other: \_\_\_\_\_

## C. Severe Discrepancy

The child demonstrates a severe discrepancy between general intellectual ability and achievement in at least one of the identified areas of achievement. The demonstration of a severe discrepancy shall not be based solely on the use of standardized tests. The instruments used to assess the child's general Specific Learning Disability intellectual ability and achievement must be individually administered and interpreted by an appropriately licensed person using standardized procedures. For initial placement, the severe discrepancy must be equal to or greater than 1.75 standard deviations below the mean on a distribution of regression scores for the general population at the student's chronological age.

Overall Composite Score:	
Regression Score:	
Achievement Measure:	

### Cluster Area Composite Scores

Oral Expression		Reading Fluency Skills	
Listening Comprehension		Reading Comprehension	
Written Expression		Mathematical Calculation	
Basic Reading Skills		Mathematical Problem Solving	

## D. Inadequate Rate of Progress in Response to Scientific Research-Based Intervention (SRBI)

The child demonstrates an inadequate rate of progress in response to intensive SBRI and the following components are documented:

- \_\_\_\_\_ Rate of progress is measured over at least 7 school weeks on a minimum of 12 data points;
- \_\_\_\_\_ Rate of improvement is minimal and continued intervention will not likely result in reaching age or state-approved grade-level standards;
- \_\_\_\_\_ Progress will likely not be maintained when instructional supports are removed;
- \_\_\_\_\_ Level of performance in repeated assessment of achievement falls below the child's age or state-approved grade-level standards; and
- \_\_\_\_\_ Level of achievement is at or below the 5th percentile on one or more valid and reliable achievement tests using either state or national comparisons. Local comparison data that is valid and reliable may be used in addition to either state or national data, but if it differs from either state or national data, the group must provide a rationale to explain the difference.

## Child Find/Pre-referral and Referral Process for Special Education

*Minnesota state law provides school districts with a process to assure that students are given ample opportunity to succeed within the general education program. When teachers suspect a student may need special education services, Minnesota Statute 125A.56 requires that schools implement and document at least two “instructional strategies, alternatives or interventions” with a student within the general education classroom prior to referring a child for special education evaluation. This is called the ‘pre-referral process.’*

---

At The Journey School the pre-referral process is known as Multi-Tiered Systems of Support or MTSS. It is important to note that this process is part of regular education.

At least two research- based interventions must take place to assist in the determination of the need for an evaluation for special education services. The duration of the pre-referral interventions are based on the individual child’s needs and must be of sufficient duration to allow the child to succeed from the new instructional strategies and/or interventions. Best practice identifies pre-referral interventions lasting four to eight weeks, with the interventions being consecutive. Interventions only taking place several times per week would be of longer duration. Concurrent interventions can be implemented if there are multiple concerns.

Overall, pre-referral interventions are defined as regular education strategies, alternatives, or interventions that are designed to assist the student in school before resorting to special education services. These pre-referral interventions might include a Section 504 plan, Title I intervention services, tutoring, support services, or a wide variety of interventions to help the student increase in success. Relevant law requires that a school district conduct and document at least two pre-referral interventions before initiating a special education evaluation, unless the district’s assessment team waives this requirement because of an urgent need for evaluation. Pre-referral interventions cannot be used to purposely or practically deny or delay a parent’s and student’s rights to have a special education evaluation.

### **Members of the MTSS Team include:**

- School Director
- Academic Interventionist
- Special Education Representative

### **Individual Student Intervention Plan Team**

The Intervention Plan Team for an individual student would include every teacher or staff member who is connected with that student’s academic plan. This could include:

- Classroom Teacher
- EL Teachers
- Specialist Teachers
- School Nurse
- Other Administrators

A breakdown of the MTSS process is as follows:

## **Step 1- Regular Education**

1. The teacher identifies a student's academic concern.
2. The teacher contacts the MTSS Team to notify about the concern and to determine next steps. The MTSS Team will review records, reach out to prior schools, Special Education Administration, previous teachers, etc. as needed.
3. The teacher and/or other Administrator contacts the student's parent/guardian on the phone or in person to share concern and to collaborate in student success. Records parent contact in JMC Student Information System and on student's intervention plan.
4. If the student has a history of absences and/or tardiness, the teacher will connect with the MTSS team to relay the concern and relay that they are starting the initial child find steps. The MTSS Team and classroom teacher will partner together to advocate for increased student attendance so that the effectiveness of interventions can be tracked.
5. The teacher creates an intervention plan through collaboration with the student's Intervention Plan Team members. This team will maintain regular contact to track student progress. Research-based interventions must be noted. Though the Student Intervention Plan Team will drive the plan, if needed, an administrator or member of the MTSS Team may be invited to the meetings to support the conversation and planning.
6. If the concern is related to behavior, the teacher will be referred to meet with the appropriate administrator for possible behavior interventions and additional tracking.

## **Step 2- Regular Education**

1. The research-based intervention from the intervention plan is implemented for the prescribed frequency, and fidelity of implementation is ensured.
2. Members of the student's Intervention Plan Team connect regularly to track progress. Progress monitoring notes will be recorded on the student's intervention log.
3. Parents are communicated with regularly to give them updates on student progress.
4. After 6-8 weeks, if the intervention is proven to be successful, the intervention is continued and a formal special education evaluation is not needed.
5. After 6-8 weeks, if the intervention is determined NOT to be successful, (even with a high fidelity of implementation) the Intervention Plan Team meets to determine a different research-based intervention to put in place.
6. The teacher then implements the new intervention for 6-8 weeks.
7. Members of the student's Intervention Plan Team connect regularly to track progress. Progress monitoring notes will be recorded on the student's intervention log.
8. If the intervention is successful, the intervention is continued and a formal special education evaluation is not needed.
9. If the intervention is not successful, the teacher communicates with the MTSS Team to have the student placed on the next MTSS committee agenda.
10. The Administrator (or administrator and teacher collaboratively) notifies the parent that the intervention was not successful and lets the parent know that they are referring the student to the MTSS Team for further advice. (NOTE—Referring to MTSS is not the same as a referral for special education. MTSS is a pre-referral team that reviews intervention successes and determines next steps, with one option being a referral for a special education evaluation.)

### **Step 3- MTSS Meeting- Pre-Referral Review and Determination Meeting**

1. When the classroom teacher refers a student to MTSS, they will then go back to the student's Intervention Plan Team to determine another intervention to put in place while awaiting results of the SST meeting. It is important for this intervention to be put in place and continue, because even if a student is referred for an evaluation, interventions must continue.
2. The Academic Interventionist will have the classroom teacher fill out the MTSS paperwork. This will consist of the intervention logs in the portfolios as well as additional MTSS paperwork.
3. The MTSS team will meet to determine if the student should be referred for a special education evaluation or if other measures should be taken.

### **Step 4- Special Education Evaluation Determination**

If the MTSS Team determines that a special education evaluation should take place:

1. Parents are notified of the team's determination.
2. The written evaluation plan and Prior Written Notice are shared with the parents and parental permission to evaluate is requested.
3. Once written parent permission is received, the district will complete the evaluation within 30 school days.
4. The evaluation report will be provided to the parents no later than 30 school days from the date written permission is received. A meeting will be scheduled to share the evaluation results with the parent(s).
5. If the student meets criteria for special education services, an Individual Education Program (IEP) plan will be developed and shared with parents. The IEP and Prior Written Notice will be sent to the parents. Parent permission is required to provide special education services.
  - Once written parent permission is received, the district will implement the IEP and provide unique, individualized special education instruction to the student.
  - If the student does not meet criteria for special education services, the team determines what, if any, additional support can be provided for the student to be successful in the classroom.

The material contained in this document is intended to provide general information and guidance regarding special education rights and procedural safeguards afforded to parents of children age 3 through 21 under state and federal law. This document explains a selection of some of the rights and procedural safeguards provided to parents under the Individuals with Disabilities Education Act (IDEA), the implementing regulations at 34 C.F.R Part 300, and applicable Minnesota laws and regulations; it is not a complete list or explanation of those rights. This notice is not a substitute for consulting with a licensed attorney regarding your specific legal situation. This document does not purport to include a complete rendition of applicable state and federal law, and the law may have changed since this document was issued.

### INTRODUCTION

This document provides an overview of parental special education rights, sometimes called procedural safeguards. These same procedural safeguards are also available for students with disabilities who have reached the age of 18.

This Notice of Procedural Safeguards must be given to you at least one time per year. 34 C.F.R. § 300.504(a). It must also be given to you:

1. The first time your child is referred for a special education evaluation or if you request an evaluation, 34 C.F.R. § 300.504(a)(1);
2. The first time you file a complaint with the Minnesota Department of Education (MDE) in a school year, 34 C.F.R. § 300.504(a)(2);
3. The first time you or the district requests a due process hearing in a school year, 34 C.F.R. § 300.504(a)(2);
4. On the date the district decides to change the placement of your student by removing the student from school for a violation of the district discipline policy, 34 C.F.R § 300.504(a)(3); or
5. Upon your request, 34 C.F.R. § 300.504(a)(4).

### PRIOR WRITTEN NOTICE

The district must provide you with prior written notice each time it proposes to initiate or change, or refuses to initiate or change:

- the identification of your child;

- the evaluation and educational placement of your child;
- the provision of a free appropriate public education (FAPE) to your child; or
- When you revoke consent for services for your child in writing and before the district stops providing special education and related services, 34 C.F.R. §§ 300.503(a)(1)-(2) and 300.300(b)(4)(i).

This written notice must include:

1. A description of the action proposed or refused by the district, 34 C.F.R. § 300.503(b)(1);
2. An explanation of why the district proposes or refuses to take the action, 34 C.F.R. § 300.503(b)(2);
3. A description of each evaluation procedure, assessment, record, or report the district used as a basis for its proposal or refusal, 34 C.F.R. § 300.503(b)(3);
4. A statement that you, as parents of a child with a disability, have protection under these procedural safeguards and information about how you can get a copy of the brochure describing the procedural safeguards, 34 C.F.R. § 300.503(b)(4);
5. Sources for you to contact to obtain assistance in understanding these procedural safeguards, 34 C.F.R. § 300.503(b)(5);
6. A description of other options the IEP team considered and the reasons why those options were rejected, 34 C.F.R. § 300.503(b)(6); and
7. A description of other factors relevant to the district's proposal or refusal, 34 C.F.R. § 300.503(b)(7).

In addition to federal requirements, prior written notice must inform you that, except for the initial placement of your child in special education, the school district will proceed with its proposal for your child's placement, or for providing special education services, unless you notify the district of an objection within 14 days of when the district sent you the prior written notice. Minn. Stat. § 125A.091, Subd. 3a(1). The district must also provide you with a copy of the proposed IEP whenever the district proposes to initiate or change the content of the IEP. Minn. R. 3525.3600.

The prior written notice must also state that, if you object to a proposal or refusal in the prior written notice, you must have an opportunity for a conciliation conference, and the school district must inform you of other alternative dispute resolution procedures, including mediation and facilitated IEP team meetings, under Minnesota Statutes, section 125A.091, Subdivisions 7-9. Minn. Stat. § 125A.091, Subd. 3a(2).

## **ELECTRONIC MAIL**

If your school district gives parents the choice to receive notices by email, you can choose to receive your prior written notice, procedural safeguards notice, or notices related to a due process complaint via email. 34 C.F.R. § 300.505.

## **PARENTAL CONSENT**

Definition of Consent: Consent means that you have been fully informed of all information relevant to the activity for which your consent is sought, in your native language, or through another mode of communication. 34 C.F.R. § 300.9(a). In order to consent you must understand and agree in writing to the carrying out of the activity for which your consent is sought. This written consent must list any records that will be released and to whom. 34 C.F.R. § 300.9(b).

### **Revocation of Consent**

Consent is voluntary and may be revoked in writing at any time. 34 C.F.R. §§ 300.9(c)(1) and 300.300(b)(4). However, revocation of consent is not retroactive; meaning revocation of consent does not negate an action that has occurred after the consent was given and before the consent was revoked. 34 C.F.R. § 300.9(c)(2).

## **When the District Must Obtain Your Consent**

### **A. Initial Evaluation:**

The district must obtain your written and informed consent before conducting its initial evaluation of your child. 34 C.F.R. § 300.300(a)(1)(i) and Minn. Stat. § 125A.091, Subd. 5(a). You or a district can initiate a request for an initial evaluation. 34 C.F.R. § 300.301(b). If you do not respond to a request for consent or if you refuse to provide consent for an initial evaluation, the district cannot override your refusal to provide consent. 34 C.F.R. § 300.300(a)(3)(i) and Minn. Stat. § 125A.091, Subd. 5(a). An initial evaluation shall be conducted within 30 school days from the date the district receives your permission to conduct the evaluation, unless a conciliation conference or hearing is requested. Minn. R. 3525.2550, Subp. 2.

A district will not be found in violation of meeting its Child Find obligation or its obligations to conduct evaluations and reevaluations if you refuse to consent to or fail to respond to a request for consent for an initial evaluation. 34 C.F.R. § 300.300(a)(3)(ii).

If you consent to an initial evaluation, this consent cannot be construed as being consent for the initial provision of special education and related services. 34 C.F.R. § 300.300(a)(1)(ii).

### **B. Initial Placement and Provision of Special Education Services and Related Services**

The district must obtain your written consent before proceeding with the initial placement of your child in a special education program and the initial provision of special education services and related services to your child determined to be a child with a disability. Minn. Stat. § 125A.091, Subd. 3a(1) and 5(a); 34 C.F.R. § 300.300(b)(1).

If you do not respond to a request for consent, or if you refuse to consent to the initial provision of special education and related services to your child, the district may not override your written refusal. Minn. Stat. § 125A.091, Subd. 5(a).

If you refuse to provide consent for the initial provision of special education and related services, or you fail to respond to a request to provide consent for the initial provision of special education and related services, the district will not be considered in violation for failure to provide your child with special education and related services for which the district requested consent. 34 C.F.R. § 300.300(b)(4)(i).

### **C. Reevaluations**

Your consent is required before a district conducts a reevaluation of your child. 34 C.F.R. § 300.300(c). If you refuse consent to a reevaluation, the district may not override your written refusal. 34 C.F.R. § 300.300(c)(1)(ii) and Minn. Stat. § 125A.091, Subd. 5(a). A reevaluation shall be conducted within 30 school days from the date the district receives your permission to conduct the evaluation or within 30 days from the expiration of the 14 calendar day time period during which you can object to the district's proposed action. Minn. R. 3525.2550, Subp. 2.

### **D. Transition Services**

Your consent is required before personally identifiable information is released to officials of participating agencies providing or paying for transition services. 34 C.F.R. §§ 300.622(a)(2) and 300.321(b)(3).

### **When Your Consent is Not Required**

Except for an initial evaluation and the initial placement and provision of special education and related services, if you do not notify the district of your objection within 14 days of when the district sends the notice of the district's proposal to you, the district's proposal goes into effect even without your consent. Minn. Stat. § 125A.091, Subd. 3a(1).

Additionally, your consent is not required for a district to review existing data in your child's educational file as part of an evaluation or a reevaluation. 34 C.F.R. § 300.300(d)(1)(i).

Your consent is also not required for the district to administer a test or other evaluation that is given to all children, unless consent is required from parents of all children. 34 C.F.R. § 300.300(d)(1)(ii).

### **Parent's Right to Object and Right to a Conciliation Conference**

You have a right to object to any action the district proposes within 14 calendar days of when the district sends you the prior written notice of their proposal. Minn. Stat. § 125A.091, Subd. 3a(1). If you object to the district's proposal, you have the right to request a conciliation conference, mediation, facilitated IEP team meeting or a due process hearing. 34 C.F.R. § 300.507; Minn. Stat. §§ 125A.091, Subd. 3a(2) and Subd. 14. Within ten calendar days from the date the district receives notice of your objection to its proposal or refusal in the district's prior written notice, the district will ask you to attend a conciliation conference. Minn. Stat. § 125A.091, Subd. 7.

Except as provided under Minnesota Statutes, section 125A.091, all discussions held during a conciliation conference are confidential and are not admissible in a due process hearing. Within five days after the final conciliation conference, the district must prepare and provide to you a conciliation conference memorandum that describes the district's final proposed offer of service. This memorandum is admissible evidence in any subsequent proceeding. Minn. Stat. § 125A.091, Subd. 7.

You and the district may also agree to use mediation or a facilitated individualized education program (IEP) team meeting to resolve your disagreement. Minn. Stat. § 125A.091, Subd. 8. You or the district can also request a due process hearing (see section about Impartial Due Process Hearings later in this document). The district must continue to provide an appropriate education to your child during the proceedings of a due process hearing. 34 C.F.R. § 300.518.

## **Confidentiality and Personally Identifiable Information**

Personally identifiable information is information that includes, but is not limited to, a student's name, the name of the student's parent or other family members, the address of the student or student's family, a personal identifier, such as the student's Social Security number, student number, or biometric record, another indirect identifier, such as the student's date of birth, place of birth, a mother's maiden name, other information that, alone or in combination, is linked to or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty, or information requested by a person who the educational agency or institution reasonably believes knows the identity of the student to whom the education record relates. 34 C.F.R. § 99.3.

Districts and MDE must protect the confidentiality of any personally identifiable data, information, and records they collect, maintain, disclose and destroy. 34 C.F.R. §§ 300.610 and 300.623.

Generally, your written consent is required before a district may disclose personally identifiable information from your child's educational record with anyone other than officials of participating agencies collecting or using the information under the Individuals with Disabilities Education Act (IDEA) or for any purpose other than meeting a requirement of that law. 34 C.F.R. §§ 99.3 and 99.31.

When your consent is not required to share personally identifiable information. Your consent, or the consent of an eligible student (age 18 or older), is not required before personally identifiable information contained in education records is released to officials of a school district or the state department of education for meeting IDEA requirements. 34 C.F.R. § 300.622(a).

Your child's educational records, including disciplinary records, can be transferred without your consent to officials of another school, district, or postsecondary institution if your child seeks to enroll in or attend the school or institution or a school in that district. 34 C.F.R. § 99.31(a)(2).

Disclosures made without your consent must be authorized under the Family Educational Rights and Privacy Act (FERPA). Please refer to 34 C.F.R. Part 99 for additional information on consent requirements concerning data privacy under federal law.

## **Directory Information**

Directory information can be shared without your consent. This type of information is data contained in an education record of your child that would not generally be considered harmful or an invasion of privacy if disclosed. 34 C.F.R. § 99.3.

Directory information includes, but is not limited to, a student's address, telephone number, email address, date and place of birth, major field of study, grade level, enrollment status, dates of attendance, participation in official activities and sports, weight and height of athletic team members, degrees, honors, and awards received, the most recent educational agency or institution attended, and a student ID number, user ID, or other unique personal identifier used for accessing or communicating electronically if certain criteria are met. Directory information does not include a student's Social Security number or a student ID number not used in connection with accessing or communicating electronically as provided under federal law. 34 C.F.R. § 99.3.

Districts must give you the option to refuse to let the district designate any or all data about your child as directory information. This notice can be given to you by any means reasonably likely to inform you or an eligible student of this right. Minn. Stat. § 13.32, Subd. 5. If you do not refuse to release the above

information as directory information, that information is considered public data and can be shared without your consent.

Data about you (meaning parents) is private data but can be treated as directory information if the same procedures that are used by a district to designate student data as directory information are followed. Minn. Stat. § 13.32, Subd. 2(c).

## **WRITTEN ANNUAL NOTICE RELATING TO THIRD PARTY BILLING FOR IEP HEALTH-RELATED SERVICES**

Before billing Medical Assistance or MinnesotaCare for health-related services the first time, and each year, the district must inform you in writing that:

1. The district will share data related to your child and health-related services on your child's IEP with the Minnesota Department of Human Services to determine if your child is covered by Medical Assistance or MinnesotaCare and whether those services may be billed to Medical Assistance or MinnesotaCare.
2. Before billing Medical Assistance or MinnesotaCare for health-related services the first time, the district must obtain your consent, including specifying the personally identifiable information that may be disclosed (e.g., records or information about the services that may be provided), the purpose of the disclosure, the agency to which the disclosure may be made (i.e. the Department of Human Services) and which specifies that you understand and agree that the school district may access your (or your child's) public benefits or insurance to pay for health-related services.
3. The district will bill Medical Assistance or MinnesotaCare for the health-related services on your child's IEP. Minn. Stat. § 125A.21, Subd. 2(c)(1).
4. The district may not require you to sign up for or enroll in Medical Assistance or MinnesotaCare or other insurance programs in order for your child to receive special education services.
5. The district may not require you to incur an out-of-pocket expense such as the payment of a deductible or co-pay amount incurred in filing a claim for health services provided, but may pay the cost that you otherwise would be required to pay.
6. The district may not use your child's benefits under Medical Assistance or MinnesotaCare if that use would: decrease available lifetime coverage or any other insured benefit; result in your family paying for services that would otherwise be covered by the public benefits or insurance program and that are required for the child outside of the time your child is in school; increase your premiums or lead to the discontinuation of benefits or insurance; or risk your loss of eligibility for home and community-based waivers, based on aggregate health-related expenditures.
7. You have the right to receive a copy of education records the district shares with any third party when seeking reimbursement for IEP health-related services. Minn. Stat. § 125A.21, Subd. 2(c)(2).

You have the right to stop your consent for disclosure of your child's education records to a third party, including the Department of Human Services, at any time. If you stop consent, the district may no longer share your child's education records to bill a third party for IEP health-related services. You can withdraw your consent at any time, and your child's IEP services will not change or stop. Minn. Stat. § 125A.21, Subd. 2(c)(3).

## **INDEPENDENT EDUCATIONAL EVALUATIONS**

An independent educational evaluation (IEE) is an evaluation by a qualified person(s) who is not an employee of your district. 34 C.F.R. § 300.502(a)(3)(i). You may ask for an IEE at school district expense if you disagree with the district's evaluation. 34 C.F.R. § 300.502(b)(1). A hearing officer may also order an independent educational evaluation of your child at school district expense during a due process hearing. 34 C.F.R. § 300.502(d).

Upon request for an IEE, the district must give you information regarding its criteria for selection of an independent examiner and information about where an independent education evaluation may be obtained. 34 C.F.R. § 300.502(a)(2).

If you request an IEE, the district must, without delay, ensure that it is provided at public expense or request a hearing to determine the appropriateness of its evaluation. 34 C.F.R. § 300.502(b)(2). If the district goes to hearing and the hearing officer determines the district's evaluation is appropriate, you still have the right to an independent evaluation, but not at public expense. 34 C.F.R. § 300.502(b)(3).

If you obtain an IEE, the results of the evaluation must be considered by the IEP/IIIP (Individual Interagency Intervention Plan) Team and may be presented as evidence at a due process hearing regarding your child. 34 C.F.R. § 300.502(c).

## **EDUCATION RECORDS**

Definition of an Education Record: Under federal law an education record means those records that are directly related to a student and that are maintained by the department or the district.

### **Your Access to Records**

If you want to look at your child's education records, the district must give you access to those records for your review. Education records include most of the information about your child that is held by the school. 34 C.F.R. § 300.613(a). However, information held solely by your child's teacher for his or her own instructional use may not be included in the education records. Minn. Stat. § 13.32, Subd. 1(a).

The district must allow you to review the records without unnecessary delay, and before any meeting regarding an IEP, or any hearing or resolution session about your child. 34 C.F.R. § 300.613(a). In addition, the district must comply with your request to review your child's education records immediately, if possible, or within 10 days of the date of the request (excluding Saturdays, Sundays and legal holidays), if immediate compliance is not possible. Minn. Stat. § 13.04, Subd. 3.

Your right to inspect and review records includes the right to:

1. An explanation or interpretation from the district of your child's records upon request, 34 C.F.R. § 300.613(b)(1); Minn. Stat. § 13.04, Subd. 3;
2. Have your representative inspect and review the records on your behalf, 34 C.F.R. § 300.613(b)(3);
3. Request that the district provide copies of your child's educational records to you, 34 C.F.R. § 300.613(b)(2); Minn. Stat. § 13.04, Subd. 3; and
4. Review your child's records as often as you wish in accordance with state law, 34 C.F.R. § 300.613(c). State law provides that if you have been shown private data and have been informed of its meaning, that data does not need to be disclosed to you for a period of 6 months unless a dispute or action is pending or new information is created or collected. Minn. Stat. § 13.04, Subd. 3.

### **Transfer of Rights**

Your rights regarding accessing your child's education records generally transfer to your child at age 18. 34 C.F.R. §§ 300.625 and 99.5(a). Notice must be provided to you and your child regarding this transfer of rights. 34 C.F.R. § 300.520(a)(3).

### **Records on More Than One Child**

If any education record includes information on more than one child, you have the right to inspect and review only information relating to your child. 34 C.F.R. § 300.615. You can seek consent to review and

inspect education records that include information about children in addition to your own, but the parents of those children have a right to refuse your request for consent.

### **List of Types and Locations of Information**

Upon your request, the district and the department must provide you with a list of the types and locations of education records they collect, maintain or use. 34 C.F.R. § 300.616.

### **Record of Access by Others**

The district must keep a record of each request for access to, and each disclosure of, personally identifiable information in your child's education records. This record of access must include the name of the individual who made the request or received personally identifiable information from your child's education records, the date access was given and the purpose of the disclosure or the individual's legitimate interest in the information. 34 C.F.R. §§ 300.614 and 99.32.

### **Consent to Release Records**

Generally, your consent is required before personally identifiable information is released to unauthorized individuals or agencies. 34 C.F.R. §§ 300.622(a) and 99.30(a); Minn. Stat. § 13.05, Subd. 4(d). The consent must be in writing and must specify the individuals or agencies authorized to receive the information: the nature of the information to be disclosed; the purpose for which the information may be used; and a reasonable expiration date for the authorization to release information. 34 C.F.R. § 99.30(b); Minn. Stat. § 13.05, Subd. 4(d). Upon request, the district must provide you with a copy of records it discloses after you have given this consent. 34 C.F.R. § 99.30(c).

The district may not disclose information contained in your child's IEP/IIIP, including diagnosis and treatment information, to a health plan company without your signed and dated consent. Minn. Stat. § 125A.21, Subd. 7.

### **Fees for Searching, Retrieving and Copying Records**

The district may not charge a fee to search or retrieve records. However, if you request copies, the district may charge a reasonable fee for the copies, unless charging that fee would prevent you from exercising your right to inspect and review the education records because you cannot afford to pay it. 34 C.F.R. §§ 300.617 and 99.11; Minn. Stat. §13.04, Subd. 3.

### **Amendment of Records at Parent's Request**

If you believe that information in your child's records is inaccurate, misleading, incomplete or in violation of your child's privacy or other rights, you may request in writing that the district amend or remove the information. 34 C.F.R. §§ 300.618(a) and 99.20(a); Minn. Stat. § 13.04, Subd. 4.

The district must decide within a reasonable time whether it will amend the records. 34 C.F.R. §§ 300.618(b) and 99.20(b). If the district decides not to amend the records, it must inform you that you have the right to a hearing to challenge the district's decision. 34 C.F.R. §§ 300.618(c), 300.619 and 99.20(c). If, as a result of that hearing, the district decides that the information is not inaccurate, misleading, or otherwise in violation of your child's privacy right, it must inform you that you have the right to include a statement of your comments and disagreements alongside the challenged information in your child's education records. 34 C.F.R. § 300.620(b). A hearing to challenge information in education records must be conducted according to the procedures for such hearings under FERPA. 34 C.F.R. § 300.621.

### **Transfer of Records**

Minnesota Statutes require that a district, a charter school, or a nonpublic school transfer a student's educational records, including disciplinary records, from a school a student is transferring from to a school in which a student is enrolling within 10 business days of a request. Minn. Stat. § 120A.22, Subd. 7.

### **Destruction of Records**

The district must inform you when personally identifiable information is no longer needed in order to provide education services to your child. 34 C.F.R. § 300.624(a). That information must be destroyed at your request. However, the school may retain a permanent record of your child's name, address, phone number, grades, attendance records, classes attended, grade level completed and year completed. 34 C.F.R. § 300.624(b).

Under federal law, destruction means the physical removal of personal identifiers from information so that the information is no longer personally identifiable. Thus, the student's record does not need to be physically destroyed to comply with your request to destroy special education related records. Districts can appropriately comply with this requirement by removing personally identifiable information from the student's records. The choice of destruction method generally lies with the school district. 34 C.F.R. § 300.611; Letter to Purcell, 211 IDELR 462 (OSEP, 1987); and Klein Indep. Sch. Dist., 17 IDELR 359 (SEA TC, 1990).

The district shall not destroy any education records if there is an outstanding request to inspect or review the records. 34 C.F.R. § 99.10(e).

Despite your request to destroy records a district can keep certain records necessary to comply with the General Education Provision Act (GEPA), which requires that recipients of federal funds keep records related to the use of those funds. Letter to New, 211 IDELR 473 (OSEP, 1987); 34 C.F.R. §300.611(a); and 20 U.S.C. Ch. 31, sec. 1232(f)(a). You may want to maintain certain special education records about your child for documentation purposes in the future, such as for applying for SSI benefits.

## **MEDIATION**

Mediation is a free, voluntary process to help resolve disputes. You or your district may request free mediation from the Minnesota Department of Education's Special Education Alternative Dispute Resolution program at 651-582-8222 or 1-866-466-7367. Mediation uses a neutral third party trained in dispute resolution techniques. Mediation may not be used to deny or delay your right to a due process hearing. Both you and district staff must agree to try mediation before a mediator can be assigned. At any time during the mediation, you or the district may end the mediation. 34 C.F.R. §§ 300.506 and 300.152(a)(3)(ii).

If you and the district resolve all or a portion of the dispute or agree to use another procedure to resolve the dispute, the mediator shall ensure that the resolution or agreement is in writing and signed by both you and the district and that both parties receive a copy of the document. The written resolution or agreement shall state that all discussions that occurred during mediation are confidential and may not be used as evidence in any hearing or civil proceeding. The resolution or agreement is legally binding on both you and the district and is enforceable in state or federal district court. You or the district can request another mediation to resolve a dispute over implementing the mediation agreement. Minn. Stat. § 125A.091, Subd. 10.

## **FILING A WRITTEN COMPLAINT**

Any organization or individual may file a complaint with the Minnesota Department of Education (MDE). 34 C.F.R. § 300.153(a). Complaints sent to MDE must:

1. Be in writing and be signed by the individual or organization filing the complaint, 34 C.F.R. § 300.153(a);
2. Allege violations of state or federal special education law or rule, 34 C.F.R. § 300.153(b)(1);
3. State the facts upon which the allegation is based, 34 C.F.R. § 300.153(b)(2);

7. A proposed resolution of the problem to the extent known and available to the party at the time the complaint is filed, 34 C.F.R. § 300.153(b)(4)(v); and

The complaint must be received by MDE no later than one year after the alleged violation occurred. 34 C.F.R. § 300.153(c). MDE will issue a written decision within 60 days, unless exceptional circumstances require a longer time or you or the district agree to extend the time to participate in mediation. 34 C.F.R. § 300.152(a) and (b). The final complaint decision may be appealed to the Minnesota Court of Appeals by you (the parent) or the school district injured-in-fact by the decision within 60 days of receiving notice of the final decision.

## **MODEL FORMS**

MDE has developed model forms that can be used to file special education or due process complaints. These forms are not required, but are available as a resource to use when filing a complaint. 34 C.F.R. § 300.509. These model forms are available on MDE's website: MDE > School Support > Compliance and Assistance > Due Process Forms.

## **IMPARTIAL DUE PROCESS HEARING**

Both you and the district have a right to request an impartial due process hearing in writing within two years of the date you or the agency knew or should have known about the alleged action that forms the basis of the due process complaint. Minn. Stat. § 125A.091, Subd. 14(a) and 34 C.F.R. §§ 300.507 and 300.511(e).

A due process hearing can be requested regarding a proposal or refusal to initiate or change a child's evaluation, IEP, educational placement, or to provide FAPE. Minn. Stat. § 125A.091, Subd. 14(a).

A due process hearing may address any matter related to the identification, evaluation, educational placement, manifestation determination or provision of a free and appropriate public education of your child. Minn. Stat. § 125A.091, Subd. 12. Within 15 days of receiving notice of your due process complaint, and prior to the due process hearing, the school district must arrange for a resolution meeting with you and the relevant members of the IEP Team who have knowledge of the facts alleged in the due process complaint. 34 C.F.R. § 300.510(a).

The purpose of this meeting is for you to discuss the due process complaint, and the facts that form the basis of the due process complaint, so that the school district has the opportunity to resolve the dispute that is the basis for the due process complaint. 34 C.F.R. § 300.510(a)(2).

The resolution meeting need not be held if you and the school district agree in writing to waive the meeting or agree to mediation. 34 C.F.R. § 300.510(a)(3). A resolution meeting is also not required to be held when the district is the party who requests a due process hearing. 34 C.F.R. 300.510(a) cmts. at 71 F.R. 46700 (2006).

If the matter is not resolved within 30 days of receipt of the due process complaint, the hearing timelines begin. 34 C.F.R. § 300.510(b)(1). If the school district is unable to obtain your participation in the resolution meeting or mediation after reasonable efforts have been made and the school district does not agree to waive the meeting in writing, the school district may, at the conclusion of the 30-day period, request that a hearing officer dismiss your due process complaint. 34 C.F.R. § 300.510(b)(4).

### **Loss of Right to a Due Process Hearing**

NOTE: Due to an interpretation of state law by the 8th Circuit Court of Appeals, if your child changes school districts and you do not request a due process hearing before your child enrolls in a new district, you may lose the right to have a due process hearing about any special education issues that arose in the previous district. See *Thompson v. Bd. of the Special Sch. Dist. No. 1*, 144 F.3d.574 (8th Cir. 1998). You do still have a right to request a due process hearing about special educational issues that may arise in the new district where your child is attending.

### **Procedures for Initiation of a Due Process Hearing**

Upon a written request for a hearing, the district must give you a copy of this procedural safeguard notice and a copy of your rights at hearing. 34 C.F.R. § 300.504(a)(2). If you or the district request a hearing, the other party must be provided with a copy of the request and submit the request to the department. Once it receives the request, the department must give a copy of the procedural safeguards notice to you. Minn. Stat. § 125A.091, Subd. 14(d). All written requests must include:

1. The name of your child, 34 C.F.R. § 300.508(b)(1); Minn. Stat. § 125A.091, Subd. 14(b);
2. The address of your child, 34 C.F.R. § 300.508(b)(2); Minn. Stat. § 125A.091, Subd. 14(b);
3. The name of the school your child is attending, 34 C.F.R. § 300.508(b)(3); Minn. Stat. § 125A.091, Subd. 14(b);
4. A description of the problem(s), including your view of the facts, 34 C.F.R. § 300.508(b)(5); Minn. Stat. § 125A.091, Subd. 14(b); and
5. A proposed resolution of the problem to the extent known and available to you at the time, 34 C.F.R. § 300.508(b)(6); Minn. Stat. § 125A.091, Subd. 14(b).

MDE maintains a list of qualified hearing officers. Upon receipt of a written request for a hearing, MDE will appoint a hearing officer from that list to conduct the hearing. Minn. Stat. § 125A.091, Subd. 13. Below are a few of your rights at hearing. This is not a complete list of rights.

Both you and the district have the right to:

1. Be accompanied and advised by counsel and by individuals with special knowledge or training with respect to the problems of children with disabilities, 34 C.F.R. § 300.512(a)(1);
2. Present evidence and confront, cross-examine and compel the attendance of witnesses, 34 C.F.R. § 300.512(a)(2);
3. Prohibit the introduction of any evidence at the hearing that has not been disclosed at least five business days before the hearing, including evaluation data and recommendations based on that data, 34 C.F.R. § 300.512(a)(3); and
4. Receive a free copy of the hearing transcript or electronic recording of findings of fact and decisions, 34 C.F.R. §§ 300.512(a)(4)-(a)(5) and (c)(3).

As a parent, you, specifically, have the right to:

1. Have your child, who is the subject of the hearing, present, 34 C.F.R. § 300.512(c)(1);
2. Open the hearing to the public, 34 C.F.R. § 300.512(c)(2); and

3. Have the record or transcript of the hearing and the hearing officer's findings of fact, conclusions of law and decisions made provided to you at no cost. 34 C.F.R. § 300.512(c)(3); Minn. Stat. § 125A.091, Subd. 12.

## **Responding to the Hearing Request**

If you file a hearing request and you did not previously receive a prior written notice from the district about the subject matter of the hearing request, the district must send you a written explanation of why the district refused to take the action raised in the hearing request within 10 days of receiving the hearing request. This explanation must include a description of other options considered by the IEP team, why those options were rejected, a description of each evaluation procedure, assessment, record, or report that the district used as the basis for the proposed or refused action, and a description of the factors relevant to the district's proposal or refusal decision. Minn. Stat. § 125A.091, Subd. 14(e)(1).

The district can assert that the hearing request does not meet the requirements under state law. A hearing request is considered sufficient unless the party who received the request notifies the hearing officer in writing within 15 days of receiving the request that they believe the request does not meet statutory requirements. The hearing officer must determine whether the hearing request meets statutory requirements within 5 days of receiving the request and notify the parties. Minn. Stat. § 125A.091, Subd. 14(e) (1) and (2).

Upon receiving your hearing request, the district must also send you a written response that addresses the issues you raised in the hearing request within 10 days of receiving the request. Minn. Stat. § 125A.091, Subd. 14(f).

## **Disclosure of Additional Evidence Before a Hearing**

A prehearing conference must be held within 5 business days of the date the commissioner appoints a hearing officer. This conference can be held in person, at a location within the district, or by telephone. Minn. Stat. § 125A.091, Subd. 15. At least 5 business days before a hearing, you and the district must disclose to each other all evaluations of your child completed by that date and recommendations based on those evaluations that are intended to be used at the hearing. 34 C.F.R. § 300.512(b)(1). A hearing officer may refuse to allow you to introduce any undisclosed evaluations or recommendations at the hearing without consent of the other party. 34 C.F.R. § 300.512(b)(2).

## **The Hearing Decision**

A hearing decision must be issued and provided to each party within 45 calendar days, or within an appropriately extended time period, upon the expiration of the 30-day resolution period after the due process complaint was received by the state agency. 34 C.F.R. § 300.515; Minn. Stat. § 125A.091, Subd. 20(a). A hearing officer may extend the time beyond the 45-day period if requested by either party for good cause shown on the record. 34 C.F.R. § 300.515(c); Minn. Stat. § 125A.091, Subd. 18, 20(a). A hearing officer must conduct oral arguments in a hearing at a time and place that is reasonably convenient to you and your child. Minn. Stat. § 125A.091, Subd. 20(a). A hearing officer's decision on whether your child received FAPE must be based on evidence and arguments that directly relate to FAPE. 34 C.F.R. § 300.513. The hearing decision is final unless you or the district files a civil action. 34 C.F.R. §§ 300.514(a)-(b) and 300.516(a). A hearing officer lacks the authority to amend a decision except for clerical and mathematical errors. Minn. Stat. § 125A.091, Subd. 20(b).

## **Separate Request for Due Process Hearing**

You have the right to file a separate due process complaint on an issue separate from a due process complaint already filed. 34 C.F.R. § 300.513(c).

## **Free or Low-Cost Legal Resources**

The district must inform you of any free or low-cost legal and other relevant services available in the area if you request the information or if you or the school district file a due process complaint. 34 C.F.R. § 300.507(2)(b). A list of free or low-cost legal resources is also available on MDE's Special Education

Hearings web page (MDE> Select School Support > Compliance and Assistance > Special Education Hearings).

## **COMPLAINT AND HEARINGS DATABASE**

Final decisions on special education complaints and due process hearings are available to the public on the MDE website. 34 C.F.R. § 300.513(d). MDE maintains a public database called the Complaints, Hearings and Letters Search Engine. Decisions available in the database are redacted and all personally identifiable information is removed. This database is available on the Compliance and Assistance webpage on the MDE website at:

<http://w20.education.state.mn.us/WebsiteContent/ComplianceSearch.jsp>.

## **CIVIL ACTION**

When you or the district disagrees with the findings or decisions made by a hearing officer, either party may file a court action. The action may be brought in federal district court or the state court of appeals. 34 C.F.R. §§ 300.514(b) and 300.516(a). Different standards of review apply in each court. An appeal to the state court of appeals must be made within 60 calendar days of your receipt of the decision. Minn. Stat. § 125A.091, Subd. 24. An appeal to federal district court must be made within 90 days of the date of the decision. 34 C.F.R. § 300.516(b); Minn. Stat. § 125A.091, Subd. 24.

## **PLACEMENT DURING A HEARING OR CIVIL ACTION**

During a hearing or court action, unless you and the district agree otherwise, your child will remain in the educational placement where he/she is currently placed and must not be denied initial admission to school. 34 C.F.R. §§ 300.518(a) and (b) and 300.533. This is commonly referred to as the “stay-put” rule.

Two exceptions to the “stay-put” rule exist:

1. Students may be removed from their educational setting for not more than 45 school days to an interim alternative educational placement for certain weapon, drug or serious bodily injury violations, 34 C.F.R. § 300.530(g)(1)-(3); and
2. A hearing officer’s decision agreeing with you that a change in placement is appropriate as the “stay-put” placement during subsequent appeals, 34 C.F.R. § 300.518(d).

## **EXPEDITED HEARINGS**

You (the parent) or the district can request an expedited hearing in the following situations:

1. Whenever you dispute the district’s proposal to initiate or change the identification, evaluation or educational placement of your child or the district’s provision of FAPE to your child, Minn. Stat. § 125A.091, Subd. 14(a); 34 C.F.R. § 300.532(a) and (c)(1); 34 C.F.R. 300.507(a) and 34 C.F.R. § 300.503(a)(1);
2. Whenever you dispute the district’s refusal to initiate or change the identification, evaluation or educational placement of your child or the district’s provision of FAPE to your child, Minn. Stat. § 125A.091, Subd. 14(a); 34 C.F.R. § 300.532(a) and (c)(1); 34 C.F.R. § 300.507(a); 34 C.F.R. § 300.503(a)(2);
3. Whenever you dispute the manifestation determination, 34 C.F.R. §§ 300.530 and 300.532(a); and
4. Whenever the district believes that maintaining the current placement of your child is substantially likely to result in injury to the child or to others, 34 C.F.R. § 300.532(b)(2)(ii).

You or a school district may file a written request for an expedited due process hearing as described above. Minn. Stat. § 125A.091, Subd. 19; 34 C.F.R. § 300.532(c)(1).

## **Timelines for Expedited Hearings**

Expedited hearings must be held within 20 school days of the date the hearing request is filed. The hearing officer must issue a decision within 10 school days after the hearing. Minn. Stat. § 125A.091, Subd. 19; 34 C.F.R. § 300.532(c)(2). A resolution meeting must occur within 7 days of receiving the hearing request, unless you and the school district agree in writing to either waive the resolution meeting or use the mediation process. Minn. Stat. § 125A.091, Subd. 19; 34 C.F.R. § 300.532(c)(3) and (3)(i). The expedited due process hearing may proceed unless the matter has been resolved to the satisfaction of both parties within 15 days of receiving the request. Minn. Stat. § 125A.091, Subd. 19; 34 C.F.R. § 300.532(c)(3)(ii).

## **Dismissal of Complaint**

If the school district is unable to obtain your participation in the resolution meeting or mediation after reasonable efforts have been made and the school district does not agree to waive the meeting in writing, the school district may, at the conclusion of the 30-day period, request that a hearing officer dismiss your due process complaint. 34 C.F.R. § 300.510(b)(4).

## **Placement by a Hearing Officer**

A hearing officer may decide to move your child to an interim alternative educational setting for up to 45 school days if the hearing officer determines your child is substantially likely to injure himself or herself or others if he/she remains in the current placement. 34 C.F.R. § 300.532(b)(2)(ii).

## **Right to Appeal Decision**

You or the district can appeal the decision of a hearing officer in an expedited due process hearing. 34 C.F.R. §§ 300.532(c)(5) and 300.514.

## **INTERIM ALTERNATIVE EDUCATIONAL PLACEMENT**

The district may change your child's educational placement for up to 45 school days, if your child:

1. Carries a dangerous weapon to or possesses a dangerous weapon at school, on school premises, or at a school function under the jurisdiction of the school district or MDE as defined in federal law, 34 C.F.R. § 300.530(g)(1);
2. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance while at school, on school premises, or at a school function under the jurisdiction of the school district or MDE. This does not include alcohol or tobacco, 34 C.F.R. § 300.530(g)(2); or
3. Inflicts serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of the school district or MDE as defined in federal law, 34 C.F.R. § 300.530(g)(3).

On the date the district decides to remove your child and the removal is a change of placement of a child with a disability because of a violation of a code of student conduct, the school district must notify you of that decision, and provide you with the procedural safeguards notice. 34 C.F.R. § 300.530(h).

The IEP/IHIP team determines the interim alternative educational setting and appropriate special education services. 34 C.F.R. §§ 300.530(d)(5) and 300.531. Even though this is a temporary change, it must allow your child:

1. To continue to participate in the general education curriculum and progress towards meeting goals set out in your child's IEP, although in a different setting, 34 C.F.R. §§ 300.530(d)(1)(i) and (d)(4); and
2. Include services and modifications designed to prevent the behavior from recurring, 34 C.F.R. § 300.530(d)(1)(ii).

If your child is placed in an interim alternative educational setting, an IEP/IIP meeting must be convened within 10 school days of the decision. 34 C.F.R. § 300.530(e)(1). At this meeting, the team must discuss behavior and its relationship to your child's disability. The team must review evaluation information regarding your child's behavior, and determine the appropriateness of your child's IEP/IIP and behavior plan. The team will then determine if your child's conduct was caused by, or had a direct relationship to his or her disability, or if your child's conduct was the direct result of the school district's failure to implement the IEP. 34 C.F.R. § 300.530(e)(1).

## **ATTORNEY'S FEES FOR HEARINGS**

You may be able to recover attorney fees if you prevail in a due process hearing. 34 C.F.R. § 300.517(a)(1)(i). A judge may make an award of attorney's fees based on prevailing rates in your community. 34 C.F.R. § 300.517(c)(1). The court may reduce an award of attorney's fees if it finds that you unreasonably delayed the settlement or decision in the case. 34 C.F.R. § 300.517(c)(4)(i). If the district prevails and a court agrees that your request for a hearing was for any improper purpose, you may be required to pay the district's attorney's fees. 34 C.F.R. § 300.517(a)(iii).

## **EXCLUSIONS AND EXPULSION OF PUPILS WITH A DISABILITY**

Before your child with a disability can be expelled or excluded from school, a manifestation determination must be held. Minn. Stat. § 121A.43(d). If your child's misbehavior is related to his or her disability, your child cannot be expelled.

When a child with a disability is excluded or expelled under the Pupil Fair Dismissal Act, Minnesota Statutes Sections 121A.41-56, for misbehavior that is not a manifestation of the child's disability, the district shall continue to provide special education and related services after the period of suspension, if imposed. Minn. Stat. § 121A.43(d).

## **DISCIPLINARY REMOVALS**

If a child with a disability is removed from his or her current educational placement, this is considered a change of placement if:

1. The removal is for more than 10 school days in a row, 34 C.F.R. § 300.536(a)(1); or
2. Your child has been subjected to a series of removals that constitute a pattern because:
  - a. The series of removals total more than 10 school days in a year, 34 C.F.R. § 300.536(a)(2)(i);
  - b. Your child's behavior is substantially similar to your child's behavior in previous incidents that resulted in a series of removals, 34 C.F.R. § 300.536(a)(2)(ii); and
  - c. Of additional factors such as the length of each removals, the total amount of time your child has been removed, and the proximity of the removals to one another, 34 C.F.R. § 300.536(a)(2)(iii).

The determination of whether a pattern of removals constitutes a change of placement is made by the district. 34 C.F.R. § 300.536(b)(1). If this determination is challenged it is subject to review through due process and judicial proceedings. 34 C.F.R. § 300.536(b)(2).

## **CHILDREN NOT DETERMINED ELIGIBLE FOR SPECIAL EDUCATION AND RELATED SERVICES**

If your child has not been determined eligible for special education and related services and violates a code of student conduct, and the school district knew before the discipline violation that your child was a child with a disability then your child can utilize the protections described in this notice. 34 C.F.R. § 300.534(a).

A district is deemed to have knowledge that your child is a child with a disability if, before the behavior that brought about the disciplinary action occurred:

1. You expressed concern in writing to supervisory or administrative personnel at the district or to your child's teacher that your child is in need of special education and related services, 34 C.F.R. § 300.534(b)(1);
2. You requested an evaluation related to eligibility for special education and related services under Part B of the IDEA, 34 C.F.R. § 300.534(b)(2); or
3. Your child's teacher or other district personnel expressed specific concerns about a pattern of behavior demonstrated by your child directly to the district's director of special education or to other district supervisory staff, 34 C.F.R. § 300.534(b)(3).

### **Exceptions to a District's Knowledge**

A district would not be deemed to have such knowledge if:

1. You have previously refused consent for an evaluation of your child or you have previously refused special education services, 34 C.F.R. § 300.534(c)(1)(i)-(ii); or
2. Your child has already been evaluated and determined to not be a child with a disability under Part B of IDEA, 34 C.F.R. § 300.534(c)(2).

### **Conditions that Apply if There is No Basis of Knowledge.**

If a district does not have knowledge that your child is a child with a disability prior to taking disciplinary measures against your child, your child may be subjected to similar disciplinary consequences that are applied to children without disabilities who engage in similar behaviors. 34 C.F.R. § 300.534(d).

If a request is made for an evaluation of your child during the time period in which your child is subjected to disciplinary measures, the evaluation must be conducted in an expedited manner. 34 C.F.R. § 300.534(d)(2)(i). Until the evaluation is complete, your child remains in the educational placement determined by the district, which can include suspension or expulsion without educational services. 34 C.F.R. § 300.534(d)(2)(ii). In Minnesota, regular special education services are provided on the sixth day of a suspension and alternative education services are provided.

### **REFERRAL TO AND ACTION BY LAW ENFORCEMENT AND JUDICIAL AUTHORITIES**

A district can report a crime committed by a child with a disability to appropriate authorities and State law enforcement and judicial authorities can exercise their responsibilities under the law related to crimes committed by a child with a disability. 34 C.F.R. § 300.535(a).

### **Transmittal of Records**

If a district reports a crime committed by a child with a disability, the district must ensure that copies of the child's special education and disciplinary records are transmitted to the appropriate authorities to whom the crime is reported for consideration. However, the district may only transmit copies of your child's special education and disciplinary records to the extent permitted by FERPA. 34 C.F.R. § 300.535(b).

### **PRIVATE SCHOOL PLACEMENT**

IDEA does not require the district to pay for the cost of educating your child, including special education and related services, at a private school if the district made FAPE available to your child and you chose to place your child in a private school. 34 C.F.R. § 300.148(a). However, you may be able to recover tuition expenses for a private school placement if you informed the district of your intent to enroll your child in a private school at public expense in a timely manner and if a hearing officer finds that the district did not promptly make FAPE available to your child prior to your child being enrolled in the private school and if the private placement is appropriate. You must inform the district of your intent to place your child in a

private placement at public expense at the most recent IEP/IIIP meeting prior to removal of your child from public school or by written notice to the district at least 10 business days prior to removal of your child from public school. 34 C.F.R. § 300.148(c)-(d).

Your notice must state why you disagree with the district's proposed IEP/IIIP or placement. If a hearing officer or court finds that the district failed to provide or is unable to provide your child with an appropriate education and that the private placement is appropriate, you may be reimbursed for the cost of the private placement. Failure to tell the school of your intent to enroll your child in a private school at public expense, failure to make your child available for evaluation prior to placing your child in a private school after the district has given you notice of its intent to evaluate your child, or other unreasonable delay on your part could result in a reduction or denial of reimbursement for the private school placement. 34 C.F.R. § 300.148(d).

A hearing officer cannot reduce or deny the cost of reimbursement if: the district prevented you from being provided with this notice; you did not receive notice of your responsibilities as discussed above in this section; or if compliance with the above requirements would likely result in physical harm to your child and if you failed to provide the required notice because you cannot write in English or if compliance with the above requirements would likely result in serious emotional harm to your child. 34 C.F.R. § 300.148(e).

## Appendix D

### Special Education Parent Advisory Council (SEAC)

#### Operational Procedures

---

1. All parents of students with disabilities are invited to participate in The Journey School's Special Education Advisory Council (SEAC).
2. Meetings are held minimally once per year.
3. Meetings will be announced on the school website and a notice will be sent via email.
4. At least 50% of SEAC members will be parents of students of disabilities.
5. The goal of the Special Education Advisory Council is to increase parent/guardian involvement in district policy making and decision making involving students with disabilities. Meetings will provide a forum for parents to address special education concerns and dialogue about education strategies and student successes. The committee is open to all parents, including those without children enrolled with an IEP.
