About Me:

I grew up in California but have called Minnesota home since 2018. Coming from a big family with six siblings, I've always loved spending time with others, especially over a good board game! Fall is my favorite season, I love the cold air, cozy vibes, and everything pumpkin-scented. When it comes to food, I love spaghetti! At home, I have three adorable guinea pigs who bring me lots of joy with their playful personalities!

Things I like to do on my free time: I enjoy playing instruments like the guitar, piano, and flute, going on walks, reading, and spending time with my three guinea pigs.

Favorite Quote: "You're braver than you believe, stronger than you seem, and smarter than you think."
