Mission: “To provide all students with the values, skills and knowledge needed to embark on a life-long journey to success.” This is what The Journey School will do every day for all the children. In the long-term we want to be known as a school where: **“All students love to learn, have access to a high-quality, individualized, technology embedded, standards-based curriculum with clearly defined and measurable expectations; presented by highly effective teachers and leaders in a safe, structured, creative, and nurturing learning environment that includes parent and community engagement. Students are empowered to be productive and**

contributing individuals in their school, local community, and the global society.”

Meeting Norms: Turn off devices. Start promptly. Full involvement and attention from all. Mute themselves when not speaking.

Community/Public Comments: (5-10minutes)
